SHE'S

3rd CME ON HIGH RISK PREGNANCY

“Saving SICK MOTHERS”

Date : 01-September-2024, Sunday | Time : 9.00am to 4.00pm

Venue: Hotel Radisson, Salem.

***TNMC Credit points applied**

Dear Esteemed Colleagues,

Pregnancy is a cherished phase of life that ends happily for most. However, we all know that there is an inherent risk to all pregnancies and a few mothers have a greater risk to either their life or the baby's life. Managing such high-risk pregnancies has always been challenging and stressful.

The High-Risk Obstetric Unit of SKS Hospital provides the highest level of care and management with the help of a well-supported team of Obstetricians, Neonatologists, Intensivists along with specialists in every field along with residents providing 24x7 coverage.

This 3rd CME provides a plethora of academics covering the topics with recent advances and problem-based solutions, and is an effort to help every obstetrician learn from the experts in the field of high-risk obstetrics in an evidence-based manner, as well as enhance the obstetric skills of managing critical situations.

Best Regards,

High-Risk Obstetric Unit,

SKS Hospital & Postgraduate Medical Institute, Salem.

Dr Dhavashree V

Organising Secretary

SKS Hospital & Postgraduate Medical Institute,
Salem.

Dr Suresh Viswanathan

Managing Director

SKS Hospital & Postgraduate Medical Institute,
Salem.
